## Invitation to Bid Snow Plowing Contract – Town of Lamoine

The Town of Lamoine is accepting bids for qualified contractors to provide snow-plowing and road treatment services for up to five years, beginning October 15, 2018 and ending May 15, 2023.

The bid will include the parking areas at the Lamoine Consolidated School as well as all town and state roads maintained by the Town of Lamoine.

Total town plowed road mileage is approximately 22.3 miles (two lanes) plus 4 parking areas. The town provides a storage building for salt and sand. The successful bidder purchases the salt and sand as part of this contract, and provides periodic routine maintenance to the storage building and shall include the cost of both in the contract bid.

A sample contract and bid submission sheet will be available at the Lamoine Town Office beginning on Monday, November 20, 2017 at 10:00 AM. Prospective bidders may request a bid package from the Lamoine Town Office by calling 667-2242 or writing to the Town of Lamoine, 606 Douglas Highway, Lamoine, ME 04605. The bid documents will also be posted at the town's website ([www.lamoine-me.gov](http://www.lamoine-me.gov)). Sealed bids must be delivered to the Town Office no later than 4:00 PM on Thursday, January 4, 2018. The Lamoine Board of Selectmen will open the bids on January 18, 2018 at the regular Selectmen's meeting, and may award a bid at that time. The Town of Lamoine reserves the right to reject or accept any and all bids. The successful bidder will be selected on the basis of both cost to the town and the demonstrated ability to provide the services needed.

Ordered by the Lamoine Board of Selectmen, November 16, 2017.
